

Turbo List Builder Illustrated Tutorial

1 Connect to your server

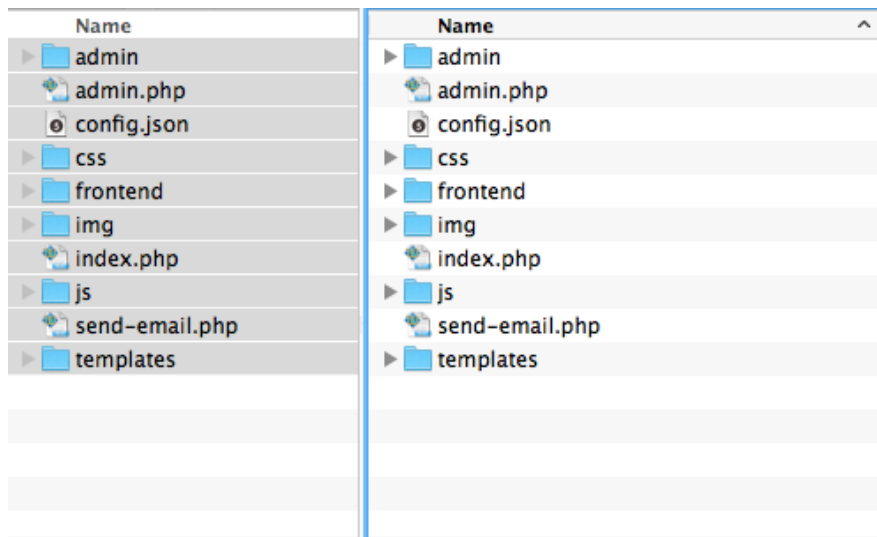

Click on the /public_html folder to open it.

2 Create a directory

Create a directory on your server and upload the files in it.

3 Wait until all files are uploaded

4 Create your username and password

Installation : Create your Admin Login Credentials

Email	<input type="text" value="tic@use-sell.com"/>
New Password	<input type="password" value="....."/>
Confirm New Password	<input type="password"/>
<input type="button" value="Proceed"/>	

Visit <http://www.server.com/directory/admin>

where

server.com is your domain name
directory is the directory where you installed the software

For example, if your domain was www.turbolistbuilder.com and you uploaded the files into the directory 'form' then you'd reach this URL: <http://www.turbolistbuilder.com/form/admin>

Insert your email address and any password you'd like to use; confirm the password and click on the Proceed button.

5 Login

admin/login.php

Email

Password

[Forgot your Password?](#)

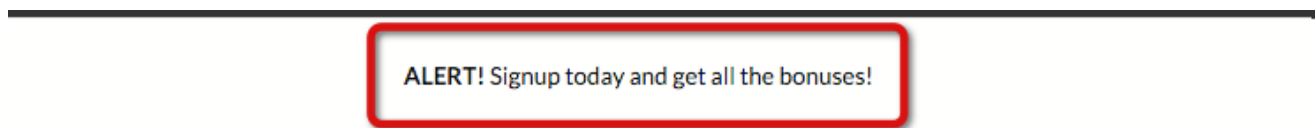

[Login](#)

Login by using your email address and the password you defined in the previous step.

6 Select your template's style from the dropdown menu

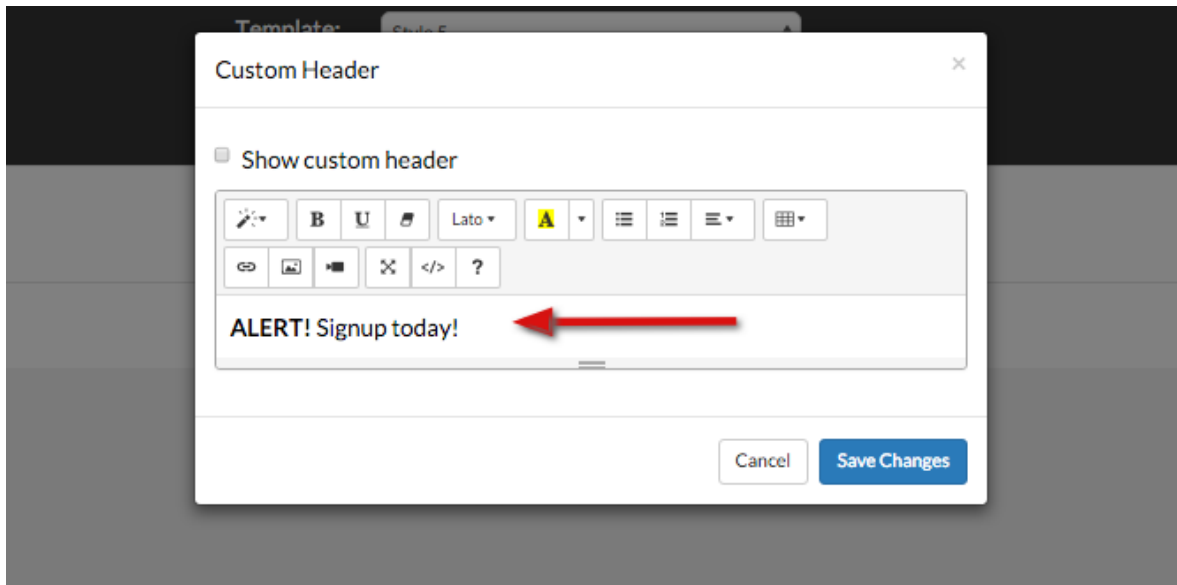

7 Edit the custom header area

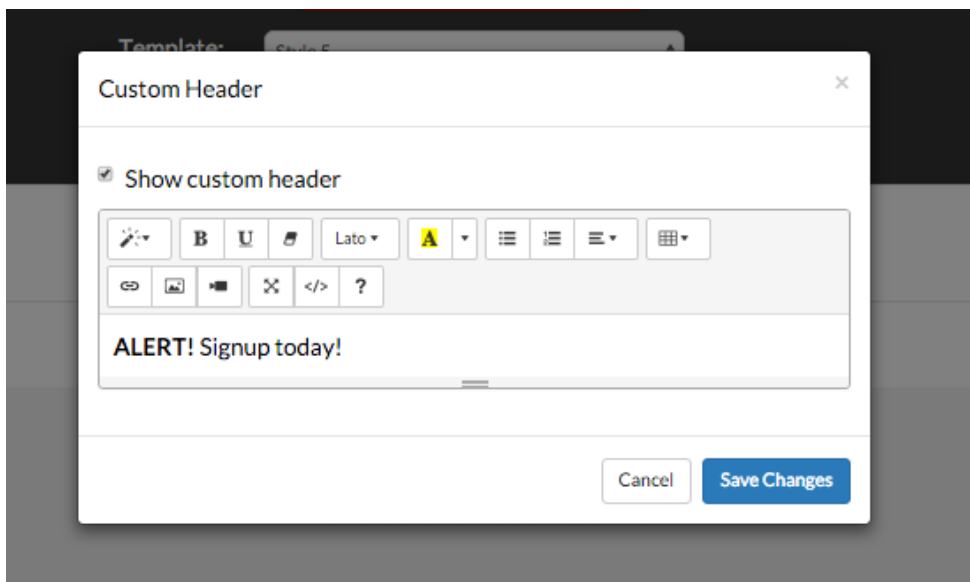

Click on the phrase to edit the custom header.

8 Add your own text

9 Enable custom header

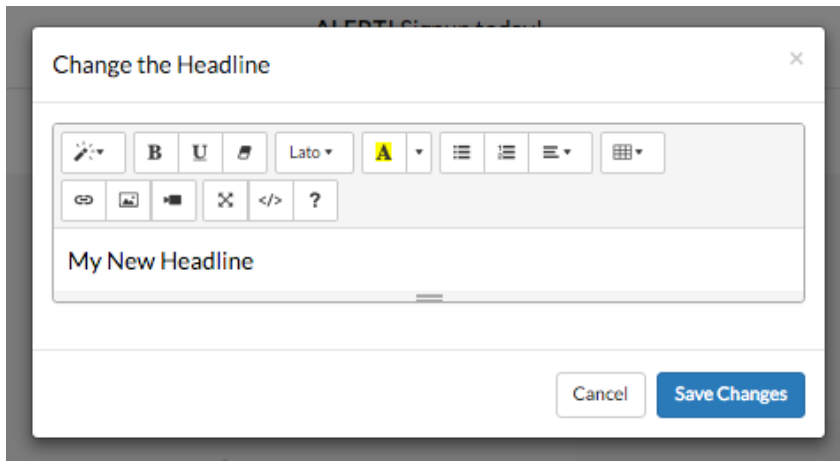

If you do not check the "Show custom header" checkbox then the custom header won't be displayed. If you want to display the custom header check the "Show custom header" checkbox and click on the "Save Changes" button.

10 Edit the Main Headline

Main Headline

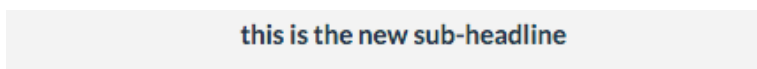

Click on the phrase to edit it.

11 Add your text

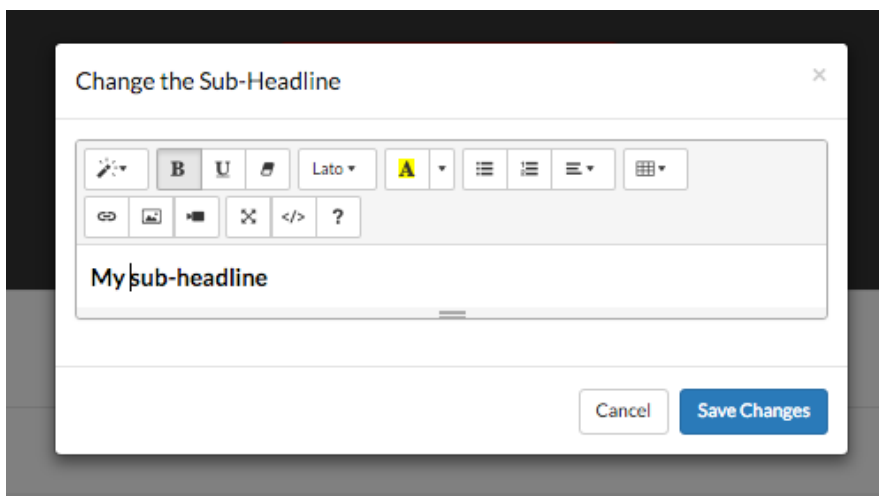

Add your headline and click on the "Save Changes" button.

12 Edit the sub-headline

Click on the phrase to edit it.

13 Add your text

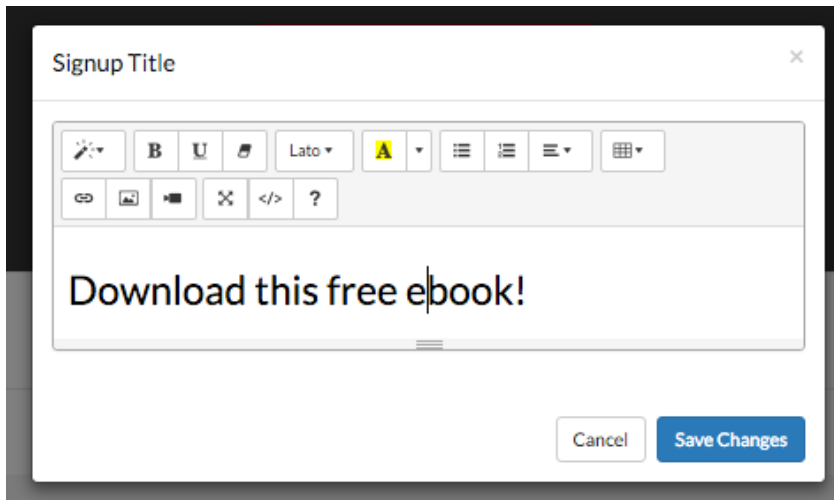

Add your text and click on the "Save Changes" button.

14 Edit the text above the subscription form

Click on the phrase to edit it.

15 Add your text

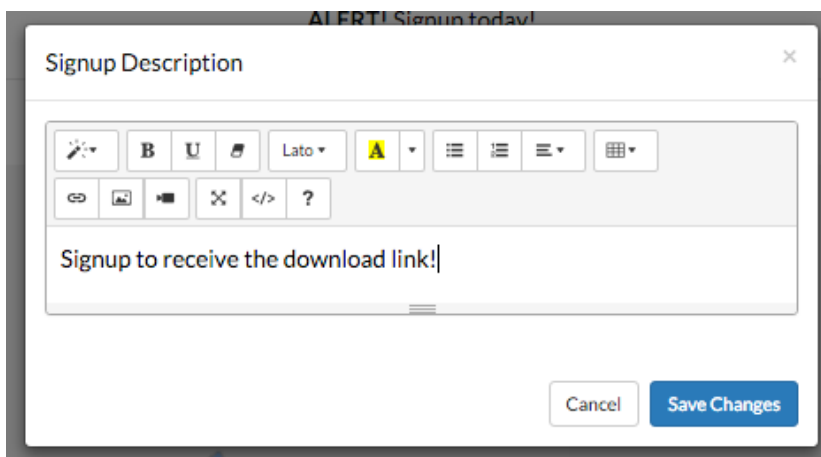

Add the text you want and click on the "Save Changes" button.

16 Edit the text (cont.)

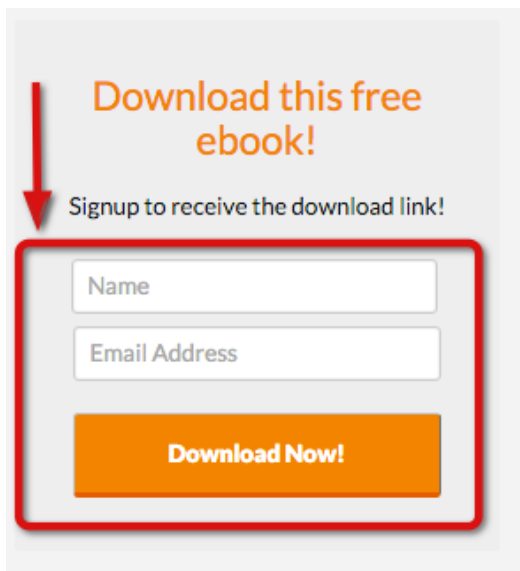

Similarly click to edit the rest of the text above the subscription form.

17 Add your text

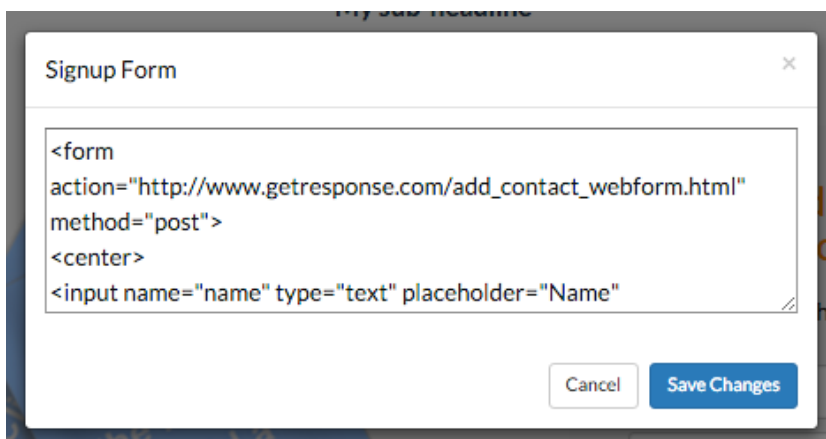

Add your text and click on the "Save Changes" button.

18 Add your web form

Click anywhere on the signup form to edit it.

19 Copy/paste

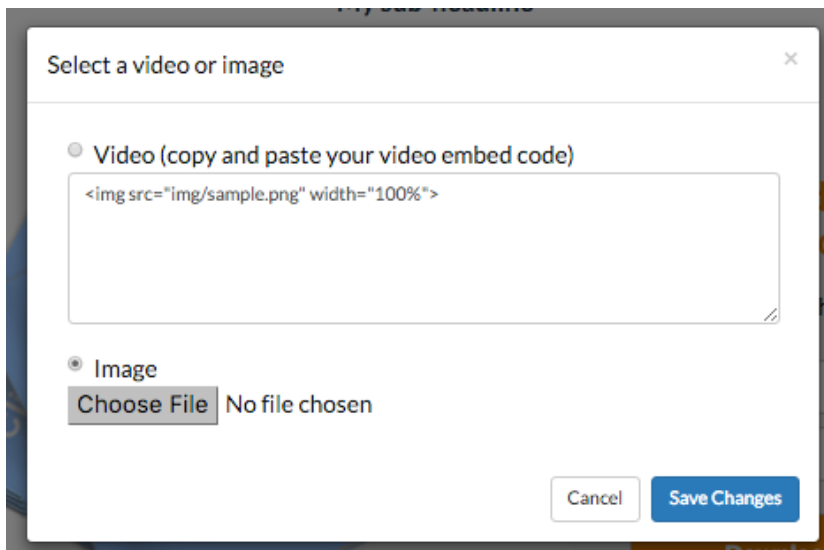

Copy the code of your web form from your autoresponder list and paste it. Once done click on the "Save Changes" button.

20 Edit the image

Click on the image to edit it.

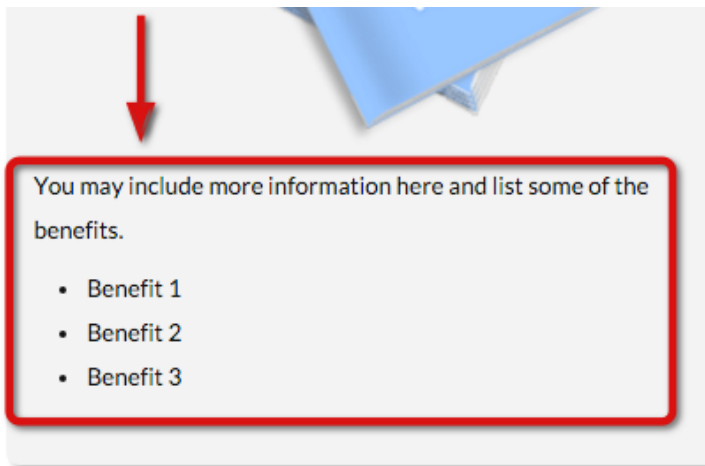

21 Add image or video

For adding a video: Check the "Video" radio button and then include the code of your video in the corresponding text area.

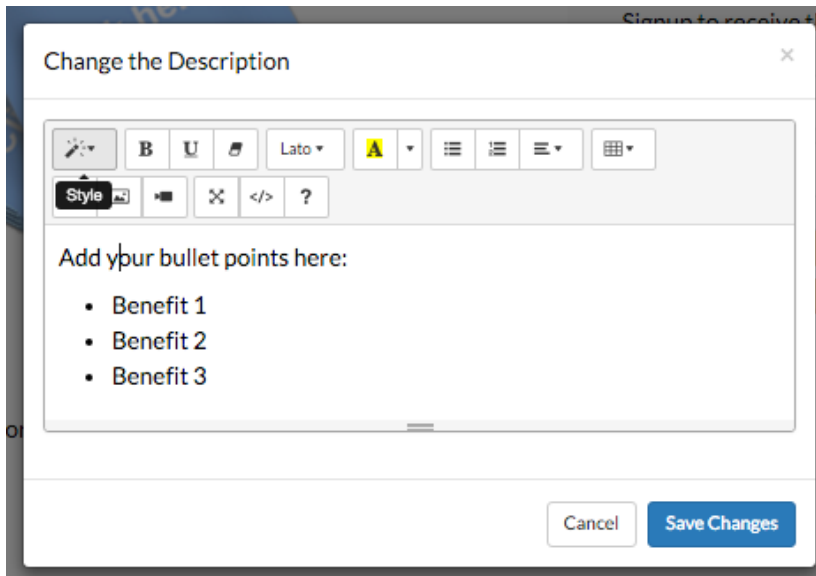

For adding a new image: Check the "Image" radio button and click on the "Choose file" button. A new window will pop up and it will prompt you to select an image from your computer. Select the image you want to use. Once done click on the "Save Changes" button.
